

WOODLANDS WEEKLY REMOTE PLANNING OVERVIEW

Nursery- Week beginning 22.2.21

All lesson plans and modelled examples are on our class DOJO page

		Our Mathematics focus this week is Shape, Space and Measure.	Our Project focus area this week is I wonder if you notice any new life outside....	Our stories this week will focus on 'Traditional Tales'.
Monday	Phonics: Daily 'Letters and Sounds' or 'Listening and Attention' lesson. (Please see Class Dojo for differentiated links for your child)	Secrets of Success and Singing Assembly Live Class assembly to introduce the SOS focus of 'Improve'. Staff and children to share successes of the week from both remote and in school learning. Read focus story of the week 'The Three Billy Goats Gruff'.	Project Learning: We have been noticing new life in forest school and the pond at school. Children have found frogs and frogspawn. I wonder if you notice any new life outside....	Story Time: The Three Billy Goats Gruff By Mara Alperin
Tuesday	Phonics: Daily 'Letters and Sounds' or 'Listening and Attention' lesson. (Please see Class Dojo for differentiated links for your child)	Mathematics, Shape, Space and Measure. Introduction to focus on 'how to build a strong bridge'. Developing knowledge of construction with blocks and language to describe them.	Project Learning: The children's ongoing enquiries into new life outside. The learning will follow the children's interests from the previous session.	Story Time: The Three little Pigs By Heather Amery
Wednesday	Phonics: Daily 'Letters and Sounds' or 'Listening and Attention' lesson. (Please see Class Dojo for differentiated links for your child)	Mathematics, Shape, Space and Measure. Using outside resources to create 'strong' shelters for the animals from the story 'The Three Billy Goats Gruff'.	Project Learning: The children's ongoing enquiries into new life outside. The learning will follow the children's interests from the previous session.	Story Time: The Gingerbread Man By Miriam Latimer
Thursday	Phonics: Daily 'Letters and Sounds' or 'Listening and Attention' lesson. (Please see Class Dojo for differentiated links for your child)	Mathematics, Shape, Space and Measure. Using 2D shapes to create 'people'. Developing knowledge to describe shapes.	Project Learning: The children's ongoing enquiries into new life outside. The learning will follow the children's interests from the previous session.	Story Time: Goldilocks and the Three Bears. By Mara Alperin
Friday	Phonics: Daily 'Letters and Sounds' or 'Listening and Attention' lesson. (Please see Class Dojo for differentiated links for your child)	Golden Time! Using construction resources to create part of another 'traditional tale'. Focus on language to describe shapes used.	Project Learning: The children's ongoing enquiries into new life outside. The learning will follow the children's interests from the previous session.	Celebration Assembly To celebrate SOS achievement at home and in school. Dojos and Weekend Wows!
