**GOLD AWARD**

**TIAAS PROGRAMME**

Woodlands are delighted to announce that we have received a Gold Award for our work related to Attachment and Trauma Informed Practice. The award recognises the school's journey from our initial membership with the Attachment Research Community to developing our practice, sharing skills and knowledge beyond our own school setting.

I want to congratulate the staff team and give special thanks to Mrs Dodd and Mrs Housley, for their efforts and contributions, providing evidence to support this accreditation. Today is a proud day! Well done all! Mrs Crilly
