

School Council Assembly

Tuesday 16th January

Abigail

We are Woodlands School Council!

Let's introduce ourselves...

Scarlett

Today, we are going to talk to you about
how Woodlands has changed since
before Christmas!

What changes can you think of?

Ellanta

We are now back in the hall, for assemblies and for lunchtime 😊

Let's think about assemblies first!

*What rules must we follow now we are
back in the hall?*

And why must we follow them?

- Walk in sensibly and quietly so that you are safe and don't disturb others around school
- Sit up straight
- Legs crossed so everyone has enough space
- Magnet eyes on the person doing the assembly

- Mirror STOP hands, when used *so they know you are listening*
- Put up your hand to share an idea, or ask a question
- Ignore others if not following these rules and instead be a role model *so that you are being respectful*

Jed

Now, let's think about lunchtime!

*What rules must we follow now we are
back in the hall?*

And why must we follow them?

- Walk in sensibly and quietly so that you are safe and no food is spilled. We would like to help the cleaners as much as we can!
- Use the hand sanitizer so you don't spread germs
- Line up for a hot dinner, avoiding the PE equipment, or find a seat if you are a packed lunch
- Use manners with others, staff and peers so that you are being kind. You'll probably make them smile!

- Try new foods. *You might like them!*
- Help yourself to a drink – avoid spillages!
- Check that you can have your pudding
- Clear your plate then pile it. Your cutlery too!

- Empty, and stack, cups too! *This is helpful to the dinner staff.*
- Put your lunchbox away
- Walk sensibly in the corridors, through the double doors onto the playground *so that you are safe and considerate of others.*

David and Layla

Jamie

We will be speaking to Mrs Fisher to ask the lunchtime staff to keep an eye out for children specifically following these rules in the dinner hall!

You may win a lunchtime award 😊

Harley H

Thankyou for listening to, and joining in
with, our assembly today.

Anthea

We are Woodlands School Council!

If you have any feedback, or ideas to improve our school, please find us on the playground.

Alice

Have a great day 😊
