BOOKS And BREAKFAST

Before half term, year 2 hosted a books with breakfast event. It was lovely to see so many children sharing stories with their parents, carers and siblings. Year 3 and 4 will be inviting their grown-ups into school on March 8th!

About Us

If you're new to EKO we are all about having fun outdoors whatever the weather. We might be bug hunting or plant spotting or den building or creating natural art or music or gardening, the list is endless. There will always be something new to try. We are based at Weston Park and have our own dedicated EKO Outdoor Learning Site and Shelter as well as use of the extensive grounds.

So what do you need to know?

- Each day is a new adventure. We start with guided activities in the morning and have free flow activities in the afternoon.
- We provide a hot lunch and healthy snacks throughout the day, taking into account dietary choices and allergies.
- On Thursdays, we welcome Steve Guy, aka **the Hungry Guy**, who teaches us how to prepare, cook, and enjoy delicious foods. Please note that Thursdays are less flexible and may not be suitable for certain SEND children who require more outdoor time.
- Our Easter Holiday Club is in partnership with the Holiday Activity and Food programme (HAF), and we're thrilled to offer free places to children with HAF codes from **Shropshire, Staffordshire** councils.
- We are also being funded by **Telford & Wrekin** council through their HAH programme. If you are being funded by T&W, please use their website to make a booking. (see link above).
- We welcome children of all abilities and have ample experience supporting those who receive SEND assistance in school. If your child requires 1:1 support or attends a non-mainstream school, please contact us before booking. Currently, we can only accommodate one 1:1 child per day.

Coding Club

It is lovely to see how much our children are enjoying coding club. We were thrilled to have received this message from Mikey's mum: 'Mikey is absolutely loving the coding club...it's so nice to see him have a passion for something. He's now got his own microbit to do his projects on'.

Coding club will continue for the remainder of this academic year.
