## Geography

Year 2 have been learning about continents in their Geography lessons this week as part of their topic, Australian Adventure. The children have researched the different continents using information texts and iPads and then represented their thinking through drawing, writing and mind maps.

## Art

Inspired by 'Moonwalk', artwork created by Teis Albers, the children in Year 5 have been experimenting with drawing and printmaking techniques. This week they made a collagraph plate by considering different elements of art: shape, line, tone, texture and pattern.

Well done to this week's SOS winners!!
